

Year 3 highlights from Autumn One

We began our time in Year 3 revisiting our school Core Values and setting ourselves a challenge to prove that 'with God all things are possible' We wrote down our challenges and displayed them as a cross in our classroom.

In Art, we read the parable of the Good Samaritan Luke 10: 25-37.

Children discussed how the Good Samaritan demonstrates how we can build good relationships and live in a peaceful manner by helping those who need it the most. We studied the works of *John Mosiman* and gained inspiration for our final pieces. We then practiced blending using oil pastels and water colours before using stencils to create silhouettes of people helping others in need.

Here are some examples of our final artwork

In History, we looked at different sources of evidence to find out when the Stone Age was and how we know. We looked at the evolution of man throughout this period in history and the way in which humans adapted and changed the way that they lived throughout the three Stone Age periods. We created a timeline of important Stone Age events and finally consolidated our knowledge through dance in PE.

In Maths, we used concrete resources to help us to gain a deeper understanding of place

value within a 3-digit number.

As part of our Harvest Worship we created a poem to share our thoughts on the 'Next Steps Project'. We learned about how life can be scary sometimes but we should try to remember that God is always near and this will help us to *take the next step* too.

We have had a fun-filled and exciting start to the year.
