

Westleigh Methodist Primary School – Reception Spring Highlights

RESPECT RESILIENCE RELATIONSHIPS RESPONSIBILITY

Love Teamwork Thankfulness Generosity Peace Forgiveness Equality Justice

Wow moments from Spring Term.

During Spring term, we have explored places around the world and the world around our school! We started our topic by finding a lost penguin. We discovered he had come from the South Pole. We used Google Earth to explore and compare different places we have never visited and also places familiar to us.

Relationships

- *Supporting each other
- *Having fun together
- *Sharing ideas

We have enjoyed showing off our fancy clothes and hats when dressing up and celebrating lots of special events including World Book Day, Number Day, Wear a Hat, Comic Relief and Easter Fundraising Day. These special days create lovely memories for Reception to learn our John Wesley value 'Do All The Good You Can'.

In maths, we have been trying really hard to develop our number bond knowledge and using different materials to represent numbers. During the story of Jack and the Beanstalk, we used different resources to measure beanstalks and the Giant's shoe and compare it to our own foot size, noticing if they were the same, shorter or longer.

Respect

We have enjoyed taking turns on the scooters and making sure we look after each other's property.

Resilience

- *Not giving up
- *Achieving their goals
- *Working together

Responsibility

We have taken great care of our own beanstalks.
