

Wow moments from Autumn Term 1!

We were so impressed with how quickly our new, and returning, children settled in as a class. It has been lovely to see strong friendships being formed, class routines established and lots of engagement and enthusiasm when exploring the indoor and outdoor provision.

"Look! I've made 'a'"
Working on letter formation and being proud of our efforts.

Resilience

- *Not giving up
- *Achieving their goals
- *Working together

Relationships

- *Supporting each other
- *Having fun together
- *Sharing ideas

Children develop their independence by taking on **responsibilities** and practising the skills needed to achieve a specific outcome. We explored tools and techniques needed to prepare, cook and eat our own bread. Using our story 'The Little Red Hen', they took on responsibilities for measuring, pouring, timing, checking and sharing the food they made. Great attitude to becoming independent and responsible for your actions and ideas.

To make our classroom a happy, safe and welcoming environment, we talked about **respect**. The children understand that listening to each other, taking turns and being kind and caring are very important skills. Our class value is **Teamwork**, we have been looking at different ways we can help each other and make a big job easier for others.
