

## Reception Wow moments from Autumn Term 2!

We had a lovely term celebrating lots of important events and festivals. We started the term discussing fireworks! The children were very excited to share their experiences of seeing the bright colours and hearing the loud bangs in the night sky. This supported our story 'The Festival of Lights'. Reception worked together to decorate their home to celebrate Diwali.

### Relationships

- \*Supporting each other
- \*Having fun together
- \*Sharing ideas

During the story topic 'Into the Woods', we had an exciting visit from the Gruffalo! we made maps and followed clues to find different creatures. The children made some fantastic pictures using the adjectives to describe the characters and where they live.

In maths, we have been trying really hard to develop our subitising skills. We can recognise small patterns of numbers without having to count! We have enjoyed number hunts and grouping objects to develop our number recognition.

### Resilience

- \*Not giving up
- \*Achieving their goals
- \*Working together

Reusing our pumpkins in the creative area.

### Respect

We dressed up and enjoyed a day of spotty activities to raise money for Children In Need.

### Responsibility

We designed a pattern and used colours and tools to transfer the pattern onto our bonfire bread! It was so yummy!
