

## Year 2

### Spring Highlights

We have had a very busy and exciting term- here are some of our favourite bits!

We had our Chaplin in to tell us all about the Easter Story. We really enjoyed learning all about the story and re telling it in different ways.

We raised money and awareness of The Brain Tumour Research Charity by wearing a hat to school.

We loved the ribbon dancing for Chinese New Year! We acted out lots of different animals and recited the dance routine.

One of our governors kindly brought some frog spawn in to explore. We really enjoyed touching the frog spawn and learning about the life cycle of a frog,

We had an exciting delivery of some

caterpillars and have enjoyed watching the changes and we are waiting for the butterflies to come out of their cocoons ready for us to release them.

We have spent lots of time learning outside looking at and investigating living things and their habitats and we enjoyed making our own wormery.

We really enjoyed designing our own fruit salad. We made sure it looked good but still healthy using our knowledge about nutrition. The best bit was eating them!
