'With God, All Things Are Possible - Matthew 19:26'

Plans for Year 5 Residential Experience—March 2025 (sign up by end of October 2024)

This year we plan to go to Brathay Hall for our Year 5 residential experience. It looks really inspirational for children. This decision has been made in conjunction with Bedford Hall Primary so we can negotiate a good deal to keep costs low for our families. School will also be offering further subsidies to help (see over page). It is located near to Low Bank (visited in previous years) and shares the same staff and specific locations

The residential visit is always a highlight of children’s time at Westleigh. It is something they remember forever as great memories are made.

A non-refundable deposit will secure a place and then further payments can be made until the end of February 2025 (see over page).

**Why Brathay?**  
**When it comes to learning outside the classroom, we are the experts.**

Our six core outcomes are the foundation to every residential. We support young people to invest in their own wellbeing, through increased:

- awareness of self and others
- confidence and belief in abilities
- openness to ideas, opportunities and challenges
- ability to communicate and express self
- ability to make positive choices
- connection with, and a greater appreciation for, nature.

We begin by offering a safe and inclusive space. You'll have a **dedicated Course Director**, who will introduce new, fun experiences that help stretch and challenge your students at their chosen pace. **Our delivery staff value every participant as an individual** and as conversations and experiences occur they have the skill to respond accordingly to achieve deeper, personalised learning.
