## A note from Mrs Boardman...

Our Year 6 Show - Goodbye My Friend  
As the school year draws to a close, our Year 6 pupils took to the stage for a memorable performance titled Goodbye My Friend. It was a wonderful celebration of friendship, growth, and the unforgettable journey our students have taken together. Thank you to all staff who supported the production and their help behind the scenes. To our Year 6 leavers: we are so proud of you. Goodbye, our friends - but never forgotten.

## 'Do All You Can' Golden Broom Award

Winner: Year 1

Well done for keeping your classroom  
tidy. Keep up the good work!

## Good Work Awards

A highlight of my week is celebrating children's learning and their fantastic effort with them.

Well done to:

- Jacob in Year 4 produced a fantastic recount of his visit to the Science Museum using Purple Mash. Amazing effort!
- Paulina, Max, Jessica and Candy in Year 5 all shared their amazing Methodist art with me. Their work was so effective and of such a high quality.

## Mrs Boardman's Award

This week my special award goes to Lucas J in Year 6. He was such a brilliant help tidying the school and litter picking earlier this week. Lucas is such a lovely boy and is a true Westleigh star!

## Attendance

|             |              |

## Safeguarding Our Children Keeping Safe Over the Holidays

As we head into the summer holidays, we hope all our families enjoy lots of fun, sunshine and outdoor adventures! Wigan Council wants everyone to enjoy our lovely parks and green spaces – especially places with lakes, ponds, rivers, canals, and flashes. But it's important to remember how to stay safe around water. Even though open water can look calm and inviting, it can be dangerous, especially in the summer when it might seem like a good place to cool off. Here's what you need to know to stay safe:

Never swim in open water

You can't always see what's under the water

Watch out for plants and weeds

Water can carry harmful substances

## Year 4 Drumming Extravaganza

Year 4 have been working with Mr Parr from Wigan Music Service to learn the African hand drums this term. They showcased their amazing learning in a performance for parents.

Well done Year 4!

## New School Council Members

This week we have been learning about democracy and linked this to British Values. From Year 1 to Year 5, children have voted for two new school council members. These children will help Mrs Boardman improve standards even further next year.

## Our Nursery and Reception Sports Days

The events were all about fun and trying our best. The supportive atmosphere, filled with claps and cheers from parents, carers, and staff, made it feel extra special. Well done to all our Nursery and Reception children – you were amazing athletes, fantastic team players, and true sports stars in the making.
