Turning Wigan Purple - Let's Make a Difference

On Thursday 10th, we're joining in with Turn Wigan Purple to support Wigan and Leigh Hospice.

Children are invited to come to school dressed in purple and bring in a £1 donation to help raise money for this important local charity.

Let's fill the school with purple and show our support for the amazing work the hospice does in our community. Thank you for helping us make a difference!

On-line Safety Advice - Please Come Along!

You are all invited to a special event focusing on online safety and keeping children safe in the digital world. It will start with performances from Y4/5 Big Sing participants, and a sign language piece by Year 2. Then, PC Belvedere will share helpful advice on online risks and how to support your child.  Date: Thursday 10th July

Time: 3pm  Location: School hall (please enter via main reception)

## 'Do All You Can' Golden Broom Award

Winner: Year 1

Well done for keeping your classroom tidy. Keep up the good work!

## Good Work Awards

A highlight of my week is celebrating children's learning and their fantastic effort with them. Well done to:

- Isabella in Year 2 wowed me with her English work this week. She wrote a fact file about koalas using rhetorical questions, subheadings and technical language.
- Dovydas in Year 2 also shared his amazing work on weather patterns in Australia and explained it using evidence about the orbit and spinning of the earth.

Well done to Year 2 and these 2 children this week.

## Mrs Boardman's Award

This week my special award goes to Grace in Year 5. She took Prayer Bear home as well as our Prayer Journal. She completed 4 pages of reflection and prayers to share with us all. Thank you Grace.

## Safeguarding Our Children

This week, our Year 1 and Year 2 pupils were treated to a fun and interactive road safety talk—complete with a special puppet visitor! The session was designed to help our youngest learners understand how to stay safe near roads in a way that was both engaging and memorable. With the help of a friendly puppet the children explored important road safety messages.

Please help by continuing to reinforce road safety at home and set a great example when walking to and from school. Together, we can keep all our children safe.

## Sports Day - Energy and Determination

Over the past two weeks, the field of Westleigh High School has been buzzing with excitement as we held two fantastic Sports Days - one for Years 1, 2 and 3, and another for Years 4, 5 and 6. Both events were filled with energy, determination, and lots of cheering, as children gave their all in a range of fun and challenging activities. Thank you to Mr Reading for leading and organising the events.

## Year 4's Visit to Manchester Science Museum

Year 4 visited Manchester Science Museum this week. They had an amazing time visiting the experiment gallery and the 'Operation Ouch!' exhibition. They loved exploring the hands-on installations and learnt so much about our 5 senses - touch, taste, smell, hearing and sight - and how they work.

What a brilliant day!

Each week we have a different focus for our Epworth Worship.

A film is shared between our family of Trust schools - a different film being produced each week by a different school. It is lovely to see the children of our Trust taking a lead in a different aspect of worship.

This week, we looked at how God tells us to use our freedom 'to serve each other with love'.

As part of our reflection during worship, we thought about how we could do this at school and at home.

## Westleigh Worship

In this week's whole school worship, we focused on individual liberty - freedoms that we have in life. We looked at how some of the liberties we have today have had to be fought for in the past. We looked together at people that have made a difference...often needing to be brave and speaking up for those without a voice. We call these people **COURAGEOUS ADVOCATES**. Ghandi, Emmeline Pankhurst and Malala all inspired us. We linked this to our British Values display in the hall.

## Visit Our Social Media Pages

Please see your child's social media page to see all the amazing work that is happening each week. We are using our pages to highlight the incredible curriculum opportunities that our children receive at Westleigh Methodist Primary School.
