Bible verse of the week

Exploring further

There are lots of stories in the Bible where Jesus teaches us about forgiveness and also celebrating when those who are lost or feeling lost, return to feel loved and welcomed again.

Can you think of 3 other stories from the Bible that give us these messages?

Share these Bible stories with someone at home or at school. Which one is most important to you and why?

Prayer of the week

Dear God,

Thank you for the opportunities you give us to celebrate life in all it's fullness; for the love we share with family and friends, for the time we have together to make memories, for the awe and wonder moments you create around us every day. Every early sunrise, every glowing sunset and giving us the moments where we are still, to embrace the calm and quiet and reflect on all that we have and are thankful for.

Amen.

This week's activity

Sometimes, we **run** away from our past because it hurts or reminds us of our mistakes. But these mistakes are our guiding light. How else would we know what to avoid in the future?

This week, look out for someone at school, perhaps in your class, or someone at home who's made a mistake and doesn't know how to put it right.

What can you say to help their hearts heal and feel full again?

Can you show them kindness, love and forgiveness?

Can you use words, actions or perhaps a picture to help them to feel like they are still loved and valued?

Is there a mistake you've made that you learn from so that next time it's a positive outcome?
