

# EPWORTH WORSHIP TOGETHER,

This week's big idea

## Refugee Week

Refugee  
Week

I was a ~~stranger~~ *refugee*  
and you welcomed me.

Matt. 25:35

*Jesus*

Bible verse of the week

## Exploring further

What does it mean to be a school of Sanctuary?

Are there any Refugee Week events or activities you could get involved with?

How about organising a whole school foodbank appeal for your Local Food bank?

## Prayer of the week

Loving God

We pray for those who are struggling today.

Guide us to be generous and compassionate, offering help and support where we can. Let us see the humanity in everyone and act with kindness.

May we be aware of the needs of those around us and be moved to action. Help us to be a source of support and encouragement. We pray for the organisations and individuals who work tirelessly to help those in need. Bless their efforts and provide them with the resources they need.

Amen.

## This week's activity

Write a list of how you could help someone new in your neighbourhood or someone new to your school.....Now put your list into action!

Could you all some different languages to help others feel welcome at school?

Organise a sponsored event to raise money for those less-fortunate than us.

## Explore further at home

- offer some of your own time to help others
- make some cakes for your neighbours
- Have some peaceful time with those you love doing something you love
- Are there any nearby places who would like donations of food, toys or clothes your house no longer needs.
