

# EPWORTH WORSHIP TOGETHER,

## This week's big idea

Global Issues —  
We can be transformers!

## Micah 6 verse 8

The Lord has told you what is good.  
He has told you what he wants from you: Do what is right to other people. Love being kind to others. And live humbly, trusting your God.

## Bible verse of the week

## Exploring further

What do you love in our World?

What do you see happening that you feel you'd like to change?

Are there any inspirational people who have made changes? How did they do it?

Is there anything that you can do to make even a small difference?

## Prayer of the week

Powerful God,  
You hold us and everything you have made in your loving care.  
You are in the whole universe and in every tiny creature.  
Pour out on us, God, the power of your love.  
And teach us to do the best we can by all the means you can to care for life and for beauty.

We ask you to change us so that we protect your world, not destroy it.  
Change the hearts of people who only care about themselves and money instead of caring about people and the Earth.  
Show us how even small things matter and help us see that we are all connected to each other and to the earth.  
We thank you God for being with us each day, fill us up with wonder and light, and help us to bring peace to our beautiful world. Amen

Write a list of global issues you feel passionate about.

Think of ways YOU can make a difference!

## Explore further at home

Research the work certain individuals have achieved to work towards transforming a Global Issue.

What impact has their work had?

Have they involved other people? How?

## Quote of the week

He who governed the world before I was born shall take care of it likewise when I am dead. My part is to improve the present moment.
