Look the website for Edukid to get a better understanding of the brilliant work they do. Some of the projects you could find out about Bonga Girls, Global Citizenship and Solar 4 Kids. Why do you think providing solar lamps is so important for education?

Prayer of the week

Dear God,

Thank you that you care so deeply for every one of us. We thank you for all your good gifts. We recognise that we have so much to be thankful for. Let us make gratitude a daily habit. Let us be known as thankful people and let us never forget the poorest of the poor. Amen

This week's activity

Think about how your school or class could raise money to sponsor a child through Edukid. Write your idea on the lightbulb for your EWT floor book.

If your school does not sponsor a child, perhaps you would like to start by following this link:

Quote of the week

“When a poor person dies of hunger, it has not happened because God did not take care of him or her. It has happened because neither you nor I wanted to give that person what he or she needed.” — **Mother Teresa**
