A wonderful return to school for us at Westleigh Methodist.

A week filled with learning and laughter. We had a fantastic Science workshop and Year 1 had a special visitor in their class from Little Red Riding Hood!

We are so proud of children and their achievements this week and we are looking forward to celebrating World Book Day next Thursday!

Good Work Awards

Having a great work ethic, enthusiasm in lessons and producing high quality pieces of work is rewarded at Westleigh Methodist. This week we celebrate...

- Delphine (Y3) and Melissa (Y3)** for wonderful work in Maths work using column addition.
- Jaxon (Y2)** for good Maths work.
- Oskar (Y2)** for great English work.

Well done, we are so proud of you all!

Attendance matters

Well done to Reception for winning Attendance Ted with 98.7% attendance rate this week. Special mention to Year 3 who got 96% which means they can join Reception with icepop treat! Best punctuality this week goes to Year 3 and Year 4. Well done to you both!

Attendance	Reception
Punctuality	Y3 and Y4

Reception	98.7%
Year 1	94.8%
Year 2	93.1%
Year 3	96%
Year 4	95%
Year 5	95%
Year 6	92.5%

They are all a HERO!

Children who achieved 100% attendance in Autumn term are proudly wearing their special, metal 'Bronze Award' badges in school this week. Please ensure they wear them every day on their uniform in recognition of this brilliant attendance. Being here every day and being ready on time does improve children's life chances and children that attend less than 96% underperform significantly.

Safeguarding Our Children

Working with Childline and NSPCC, Kids Out mission is to enable children to experience fun and happiness in their lives safely. Here is a little advice about sharing pictures and chatting online that you can discuss with your child.

Please see picture below Worship section.

- Aria (Y2) for helping Miss Scotting.
- Everyone (at WLM) for helping us get 1,326 acts of kindness!

Science Workshop!

We were so excited to have our Science Workshops in the hall this week. The children loved learning about chemical reactions and watching the experiments live!

Polite reminder:

This is a friendly reminder that our school is a nut-free environment. In order to ensure the safety and well-being of all students, please be mindful when packing snacks and lunches. Avoid sending any food products containing nuts, including tree nuts and peanuts, as we have students with nut allergies.

We appreciate your co-operation in keeping our school safe and inclusive for everyone. If you have any questions or need suggestions for nut-free snacks, please don't hesitate to reach out.

Thank you for your support!

Westleigh Worship and Epworth Worship Together

This week, our school came together to look at the value of Kindness. As it was Random Acts of Kindness week during half term, we came together as a Trust to tally up how many acts of kindness we could share. Our school total was a huge 1,326 acts of kindness at home and in school. Thank you to all parents that supported us in tallying up on our sheets so we could celebrate our amazing achievement. We created a video of the acts of kindness we did in school and the Trust worship showcased everyone's efforts. It was an emotional watch. As a Trust the total was a whopping 13,418 Acts of random kindness! This embodies the values and ethos of our Epworth Trust and we hope you will join us in continuing to spread that message that sprinkling kindness is free but SO valuable!

SHARING PICTURES AND CHATTING ONLINE

Sharing Pictures

Taking pictures with your friends and family can be lots of fun! Before you take or share a picture, remember:

- Always ask for permission before you take somebody's picture.
- Only share pictures with people who you know and trust online.
- If you want to share a picture of someone else, always ask them if it's OK first. If they say 'No', don't share it.
- You have the right to say 'No' to a picture of you being shared with other people.
- If you're sent a picture or see something that makes you feel worried or sad, tell an adult you trust and they can help.

Chatting Online

If you are chatting to people by sending messages or on video when you are online, only chat to people who you know and trust in real-life like family and friends. It is easy for people to pretend when they are online. They might not always be who they say they are, or say what they really mean. If someone you don't know tries to chat to you online, tell an adult you trust.

Remember:

- If someone says something that makes you feel worried, scared or sad, tell an adult you trust.
- Sometimes people online can be unkind. If someone says something mean online or makes you feel sad, tell a grown up you trust.
- If someone says something which makes you feel worried, scared or sad, remember you don't have to reply. Not replying and switching off your phone, tablet or game can help you feel better.
