

Westleigh Methodist Primary School

Weekly Newsletter: WC 12th October 2020

We are almost at the end of our first half term of this academic year, and what a half term it has been. The children have shown wonderful resilience in coming back to school with so many different changes in place and they have displayed superb behaviour throughout school. We have been able to offer a fantastic curriculum to the children including amazing art and PE lesson, some incredible science has taken place and the children have learnt about the world through their creative curriculum lessons. All of the children have also been developing their maths and English skills within all lessons. It has been amazing to see the children expand their knowledge and curriculum over this half term and we know that this will continue.

Worship

This week Mrs Moragrega's videos have been around the theme of Harvest where we have looked at the charity 'All We Can'. Each year, as a school, we look at this charity and try to lead by example throughout school. We have been able to discuss this year's priorities with the children and how we can support the charity with a focus on riding a bike. The children have been very creative in their thoughts on how to raise money and we will be looking at this next week. After half term our new prefects within school will also be leading some of the worship videos that will be delivered to each class.

relief and
development**

Prefects

This week we were able to appoint our new prefects for this school year. They will have a range of jobs around school, some of which will include: supporting behaviour on the corridors, completing class worships, reading to younger children through recorded videos and many more. The prefects received their badges this week and they have also requested something else that is very special so that they can be recognised around school and this will be organised for them after half term. We are very proud of all of these children and they all deserve to be a prefect, as they are role models through school and show consistently what it means to be a pupil at Westleigh.

School Holiday pattern 2020-21

	School closes	School opens
Autumn half-term:	Weds 22 nd Oct 2020	Mon 2 nd Nov 2020
Christmas:	Tues 22 nd Dec 2020	Thurs 7 th Jan 2021
