COVID Updates

As we work towards a new normal way of life living with COVID, we want to reassure you that we will be continuing with our safety measures of regularly washing hands, 'catch it, kill it, bin it', continuing with touch point cleaning and keeping areas well ventilated.

Please can we ask that children do not attend school if they are displaying COVID symptoms and/or they have had a positive test result. Please continue to keep school informed if your child is unwell or receives test results. Please see the attached letter regarding COVID updates for parents from Wigan Council.

Worship

Worship this week has focused on our School Christian Values and our School Bible verse – 'With God all things are possible – Matthew 19:26'. We have explored the meaning of our new class Christian Value and have all set ourselves a challenge that we hope to achieve with the belief that **'With God all things are possible'**.
