

A huge congratulations to our Year 6 children on completing their SATs this week. They were AMAZING and worked so hard, we are so very proud of each and everyone of them. Some parents have been asking about clubs and after school clubs – these will go ahead as planned next week. Please check the dates for your diary section as lots of information has been added below.

IMPORTANT: The high school car park next to the Startwell centre must not be used by parents. The high school have asked that we remind our parents of this.

Children who are unwell and have a high temperature should stay at home and avoid contact with other people. They can return to school when they no longer have a high temperature and are well enough to attend. Adults with a positive COVID-19 test are advised to stay at home for five days. For children with a positive COVID 19 test, the advice is three days. Please see Parentmail sent on Thursday 7th April for more information.

Worship

This week in worship we have been discussing one of our core behaviour values – resilience. We have thought about ways we have shown resilience in the past. We talked about different strategies we can use when we are finding something difficult including breathing techniques, counting, taking a break and coming back to tackle a task, speaking to others and getting help. This theme fitted in really well for Y6 sitting their KS2 SATs and we were proud to see them using and developing these skills to show their resilience.
