

Westleigh Methodist Primary School

Weekly Newsletter: WC 27th June

Well done to our Year 6 children who had an amazing two days at Rock and River outdoor pursuits this week. They took risk, challenged themselves and had an amazing time - as did the staff. The children's behaviour was excellent and they were a credit to our school.

Mrs Taylor is off to Uganda on Monday for twelve days, with Edukid. Mrs Taylor was selected by The Trust to represent our school on this amazing trip. We look forward to hearing about her adventures when she returns.

Thank you to everyone who has brought their sponsorship money into school, following the rainbow dash last week. Please can any outstanding amounts be brought to the school office next week. We will then be able to pass the money onto our two charities Edukid and Young Carers.

Finally, as I leave Westleigh Methodist to go to my new school in Lancashire, I wish to thank you all for welcoming me into the school community. Westleigh Methodist Primary School, is a very special place and I will take away with me many fond memories of this past year. Mrs Moragrega will be back in school on Monday and she is very much looking forward to being back with the children.

Many thanks for your support this year.
Mrs Chadwick

Worship

In Worship this week, we have learnt about the 'Air We Breathe'. We learnt about different factors that can affect the quality of our air, such as pollution from car exhausts and factories, pollen and deforestation. The children suggested some brilliant ways in which we can improve the quality of our air, including walking to school or travelling on public transport, planting new trees and reducing other emissions. We also reflected upon how some people with different health conditions may be affected more by the quality of our air, such as people with asthma.
