Worship

In this week's worship we have been exploring the theme of 'bouncing back'. We began the week by taking a look at the story of Izzy Weall, a young gymnast, who became a quadriplegic amputee at 7 years olds after contracting meningitis. However, Izzy has since overcome many challenges to successfully compete in trampolining and motorsports events. We then learnt the story of St Patrick who was enslaved by raiders at the age of 16 and later trained to become a Christian Missionary in Ireland. The children discovered that even when life is challenging and things don't turn out the way that we planned, we can overcome adversity and look to our faith to guide us through difficult times.
