

What a fantastic number day we have had today to raise money for the NSPCC. We have seen a large array of costumes from onsies, 100 squares, dominoes, Times Tables Rock Stars, calculators, maths wizards, number heroes and 3D shapes! Thank you for all your efforts to support this amazing day. We raised £96 for the NSPCC. The children have enjoyed taking part in a wide range of fun-filled maths activities including Who Wants to be a Millionaire quiz, maths quests around school to find hidden prizes, times tables singing, TT Rock Stars competitions and challenges.

Well done Year 3 on winning 2 weeks in a row! They spun the wheel and won a prize of free choice! They have some big ideas on their rewards now!

Worship

This week in worship we have been looking at Wellbeing resolutions and what we can do for our Wellbeing. We have explored how wellbeing is about keep our mins and bodies healthy. We have thought about different ways to use the 5 a day to keep our minds healthy as well as our 5 a day to keep our bodies healthy.

We talked about how important it is to keep our minds active, communicate and do what makes us happy. The children had so many ideas after reflecting what they do to help their own wellbeing like reading, listening to music, cuddles, hot baths, colouring, talking to someone, mindfulness breathing and use of sensory toys.
