

Westleigh Methodist Primary School

Weekly Newsletter: WC 22nd May

A big well done to our Y2 children for completing their SATs across last week and this week. We are very proud of the resilience shown and they have worked so hard to showcase everything they have learnt this year. They are excited for they treats this afternoon to celebrate. Y1 have their Phonics Screening Test and Y4 will sit their Multiplication Tables Check during the first two weeks. We wish both classes lots of luck – shine and show off all your hard work.

Please can we remind you that the Start Well and Westleigh High School car park will be closed and you will not be able to use this car park during drop off and pick ups times.

What a very busy Summer 1 term we have had. The children have all worked hard across this half term and have thoroughly enjoyed playing with our Y5 Play Leaders during lunch times.

We hope you all have a lovely half term break. The children have a lot of exciting things to look forward to during Summer 2 including trips, sports day and Y6 performances

Congratulations to our successful applicants who have been appointed into the position of Westleigh Child Chaplain. There will be more information about this important role and the amazing work the children complete in their first half term in the Summer issue of Westleigh Word.

Worship

This week in worship, we have discussed being green as it is World Environmental Day on 5th June. We have thought about what sustainability means. We compared wood, plastic and fabric items including bags and spoons and which would be better to use for our environment. We have also learnt about our Trust wide challenge in June to reduce our gas and electricity bills for June 2023, when compared to 2022. Our Eco team lead on worship to explain the challenge and what we can all do to reduce our bills. We are all very excited to raise to this challenge and be more green to impact positively on our environment.

Y3 also led on worship to share with the whole school their amazing trip to the Mosque last week. The children wrote the worship together to share interesting facts and new knowledge that they had learned during their trip. They were excited to tell everyone what a great day they had and recommended visiting a Mosque to everyone. They explained that the people in the Mosque were very friendly and welcoming and that they had learned lots of new things about the daily life of a Muslim. They also enjoyed making links between what Muslims believe and what Christians believe.

'Do all you can' Golden Broom Award Winners:
