Weekly Newsletter: WC 17th April

Welcome back! I hope everyone had a restful and enjoyable Easter break.

We have so much to look forward to this term. We are busy planning events for the King's Coronation and will share more details with you very soon.

This week we have trialled a new after school club called All We Can...Cook! Children have been able to attend an after school club with a parent to learn new cooking skills which they can then put to good use at home as they take a full bag of ingredients with them at the end of the session with enough to feed the whole family. The first session was a huge success, and these will run over a 4 week period. We will be running a further block of sessions after half term. If you are interested in attending please let us know as places are very limited.

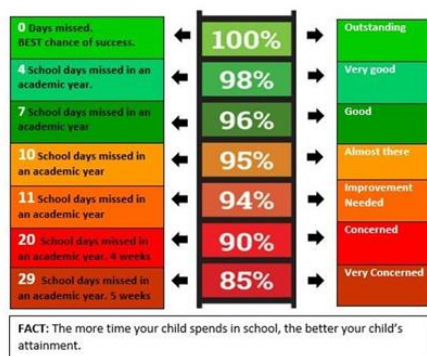

The children have had a fabulous first week back and attendance has been greatly improved. Keep up the amazing work Westleigh!

Attendance has been much improved this week!! Amazing work Westleigh. Classes over 96% get to take a spin of the wheel and have the chance to earn money for their end of year treat.

Well done everyone! This has been our best week yet, keep up the amazing work. The money pots are filling up for the classes. It will soon be time for classes to decide how to spend their rewards.

Worship

This week in worship, we have been looking at our new PSHE topic 'Being My Best'. We talked about what it means to be the best person we can be and how we can show others the best version of ourselves. Within our lessons this term we will look at how we can take care of our minds and bodies by eating healthy and doing well-being activities that make us happy. We have also explored one of our behaviour values of 'resilience' and how we need to overcome our fears and things we find difficult to show resilience.

'Do all you can' Golden Broom Award Winners:
