

We were visited this week by Becca from 'All We Can'. We are a partner school for the Methodist charity 'All We Can'. All We Can is an international development and emergency relief organisation. All We Can helps find solutions to poverty by engaging with local people and organisations in some of the world's poorest communities to end the suffering caused by inequality and injustice. Becca explored the statement 'every person's potential fulfilled', this is the mission of the charity. Becca led on whole school worship to allow the children to explore the meaning of this mission. The children discussed what their own potential means. Becca then visited each class to lead a workshop exploring what partnering with someone or a community looks like and why the way we do partnership is as important as the outcomes. The children gained a real insight into listening to our communities and their needs and what they think the problems and solutions are to reach their own potential. The children were engaged in activities which emphasised the importance of listening to others and others needs and not making assumptions. They then linked this is listening to our communities and their needs.- Please speak with your children to ask them all about the visit and workshops and what they learnt and what they think their potential is, 'With God, All Things are Possible – Matthew 19:26'.

On Tuesday, Year 2 had a very special visitor from Bolton Mosque. Imam came to teach us all about the life of a practicing Muslim. He began by welcoming us with a prayer and showing us how Muslims call to prayer each morning. He showed us a prayer mat and the Quran. Did you know that a Quran has over 800 pages? We also looked closely at his prayer beads and he modelled how they are used. We learnt so much about the Islamic faith during this afternoon session. We would like to thank Imam and Bolton Mosque for visiting us.

Well done Nursery!

### Worship

On Monday the Ethos Team led a worship in which they launched our new Child Chaplains. The whole school is really excited about this new venture- especially our Chaplains. This week the children participated in The Great Big Assembly. Over 600 schools across the UK took part. The assembly was to raise awareness of refugees who flee war torn countries. The children learned about the world's largest refugee camp that is situated in Jordan and met two young refugees who live there. They asked questions about the children's daily lives and learned about what the children hope for their future. Children then completed follow up collective worship in class exploring this further.
