

# EPWORTH WORSHIP TOGETHER,

## This week's big idea

**Wk 1: A new  
start—  
welcome back**

"But blessed is the one who trusts in the LORD, whose confidence is in him. They will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit."

Jeremiah 17:7-8

## Bible verse of the week

- What do you like about a new school year?
- What is hard about a new school year?
- How can we work together to overcome any difficulties?
- What can you do to help yourself succeed?
- Think about the roots making the oak tree strong—what or who do we have to make us strong and successful?
- What can you do to help others succeed?

**Exploring  
further**

## Prayer of the week

Dear God,

*Thank you for the start of the new school year and the ability to have a fresh start. Thank you that you are here to help us to flourish and succeed. Help us as we try to always to do our best in all we do and to support others in doing their best too so we may all flourish and succeed.*

Amen

Discuss the questions in exploring further.

In your floor book write down or draw what you want to succeed with this year.

### Explore further at home

- Make a poster to encourage people to try their best and not quit
- Find an acorn and plant it to see how it grows and develop
- Write a prayer asking for God's help to have a good year
- Draw around an oak leaf and then write down what you'll do to succeed this year
- Make a list of ways to help your friends

### Quote of the week

Success is the sum  
of small efforts -  
repeated day in  
and day out.
