

EPWORTH WORSHIP TOGETHER,

This week's big idea

John Wesley's rule- Do all you can

The Greatest Commandment- Matthew 22:36-40

Love the Lord your God with all your heart and with all your soul and with all your mind. 'This is the first and greatest commandment. And the second is like it: 'Love your neighbour as yourself.

Bible verse of the week

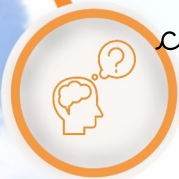

-What does it actually mean to 'Do all you can?'

-Wesley demonstrated his rule of 'Do all you can' in many ways, how do you show you're doing all you can?

-Think about a new weekly challenge you could set yourself.

Prayer of the week

Dear God,

Thank you for this new day and the challenges we may face along the way. We commit this day, and every other day, to doing our best. Help us to remember that there is nothing we will face, that we can't handle. Help and guide us to doing the best we can, every day.

Amen

This week's activity

Watch the video and discuss the questions in 'Exploring further'

On the feather template write an example of how you are going to demonstrate our trust motto of 'Do all you can' or how you might have already shown this in the past and place these into your floor books.

Explore further at home

As you do in school, set yourself a new challenge to show that you're doing all you can at home. You could help your grown ups with the washing up, or even help by taking your dog for a walk.
-Design some posters to put up around school to inspire and encourage your friends to always follow Wesley's rule.

Quote of the week
