Weekly Newsletter: WC 9th October

What an amazing Harvest Festival this morning. Thank you for all your kind donations of food which has now been collected by Leigh Baptist Church, who distribute to various churches in Leigh and Atherton area where food banks are provided. It was lovely to see so many of our parents/carers join us to share our learning all about harvest and what we can do to support others by doing all we can. Thank you for your continued support.

Please can we remind anyone who drops off or collects children that we are a no smoking site, this includes vapes.

Worship

This week in worship we explored the power of words! We discussed how just by saying one word, we can change how people feel. We reflected on how sometimes our words can cause harm but also how sharing words of love and kindness can heal. We thought about how we can use our words in the right way. We listened to a poem about human beings and reflected on its important message: that we should try to show love and peace because what makes us different from one another is nothing compared with what makes us the same – we are all human!

This week we have celebrated World Mental Health Day on Tuesday 10th October. We have explored what mental health means and how we can look after our physical as well as our emotional mental health. We discussed the wide range of emotions and feelings we may feel. We explored the 5 ways to well being – connect, be active, take notice, keep learning and give – and what these could look like for us. For further resources please see the resource sheet to support learning more at home.
